A Watershed-Improvement Project is Proposed for Your Neighborhood

A group of your neighbors have been working with county staff and local engineers to develop a plan to improve and maintain the health and productivity of your watershed. Please join your neighbors for your last chance to review the Cub Run and Bull Run Watershed Plan before it is presented to the Board of Supervisors for approval at the

Cub Run and Bull Run Watershed Plan Open House

Wednesday, June 7, 2006
7 – 9 p.m.

James McDonnell Room
Sully District Government Center
4900 Stonecroft Boulevard
Chantilly, VA 20151

Watershed Plan Goals and Proposed Projects

The goals of the plan include ensuring clean and safe drinking water, establishing appropriate recreational opportunities, identifying opportunities for community stewardship, and enhancing wildlife quality in order to improve quality of life for all residents.

Learn about and give your input on proposed projects, such as stream, buffer, and habitat restoration, regional ponds, constructed wetlands, trash and dump site removal, dry pond retrofits and Low Impact Development techniques like rain gardens, green roofs, porous pavement, and catch basin best management practices.

For more information, please read the
Cub Run and Bull Run Watershed Plan
online at:
